PRIVATELY OWNED ROLL-OFFS:

All privately owned roll-off users shall be charged \$65.00 per collection plus the current landfill user fee.

All roll-off rates are based upon a fifteen-minute time limit for each pickup or delivery, which commences when the City's roll-off truck arrives on the customer's premises. If the customer delays either the pickup or delivery of a roll-off container, then a \$100.00 charge will be assessed for each one-half hour of delay. If the delay is not due to any actions of the customer, then the assessment does not apply.
